WELCOME

Welcome to Hill Air Force Base and the Hill Chapel community. We invite you to explore what your chapel offers.

This brochure shows your Chapel program at a glance. Our worship services and programs are designed to assist you in finding meaning and purpose in life. Get involved. Come grow and be blessed with us as we worship and serve others.

THE USAF CHAPLAIN CORPS

The Mission: While serving as a visible reminder of the Holy, the Air Force Chaplain Corps provides spiritual care and the opportunity for Air Force members and their families to exercise their First Amendment right to freedom of religion.

SERVICES, RITES AND CEREMONIES

Chaplains are ordained clergy of specific denominations/faith groups. As such, they perform baptisms, dedications, weddings, counseling and other rituals and sacraments in accordance with the rules and guidelines of their churches. For specific ministries, make arrangements with the chaplain of your choice well in advance as most events require preparation.

TEAM HILL SUPPORT

Chaplains provide a vital service to military members and their families. Through pastoral counseling, chaplains offer privileged communication, a very strong level of confidentiality.

The Team Hill Chapel also provides many spiritual, relationship and resiliency retreats, both on and off base. Be on the lookout for Family, Marriage, and Single Airman Retreat opportunities.

CHAPEL FACILITIES

THE HILL AFB CHAPEL: The chapel is located just west of the Clinic on the corner of E Avenue and 11th Street. You are always welcome at the chapel.

THE HILL CHAPEL ANNEX: Adjacent to the main chapel (Bldg. 445) the annex is used for religious education, chapel programs and activities and other, base-wide programs.

FLIGHTLINE MINISTRY CENTER: Located in Bldg. 50 “behind the fence” on the flightline, the FMC offers a place of refreshment and ministry to the thousands of Airmen who work there. Chaplains and Chaplain Assistants run a variety of programs and activities out of the FMC. Call the chapel for more information.
